A. INTRODUCTION

Throughout this Amendment these entities are referred to as follows:

Old Harbor Tribal Council	=	Tribal Council
Alaska Native Tribal Health Consortium	=	ANTHC
Cooperative Project Agreement	=	CPA
Denali Commission	=	Commission

On Sept. 9, 2004, ANTHC and Old Harbor Tribal Council executed a CPA authorized by the Denali Commission to construct a new health clinic in Old Harbor, Alaska. Project activities included site preparation, materials and equipment, construction, and labor. In addition, if funding is available, the project will construct a separate multi-use structure and enclosed connection to the clinic. If project funding proves insufficient, the clinic would be constructed as a stand-alone facility.

Project funding totaled \$1,391,300 and was provided by the following agencies:

- \$705,300 of Commission funds, via Denali Commission Financial Assistance Award Project No. 0100-DC-2003-I13, Addendum B, dated January 2004
- \$192,000 of 2003 Indian Health Service Tribal Equipment funds, via Denali Commission Financial Assistance Award Project No. 0100-DC-2003-I13, Addendum B, dated January 2004
- \$194,000 of Tribal Council funds, via the Kodiak Area Native Association
- \$300,000 of Tribal Council funds, via the Old Harbor Village Corp. (to fund the multi-use structure and enclosed connection to the clinic)

B. REVISION OF PROJECT BUDGET

This Amendment adds \$375,000 per Denali Commission Financial Assistance Award Project No. 185-05, dated August 2005.

Project funding therefore totals \$1,766,300.

At this time only the health clinic is being constructed. A revised project budget and funding sources table is provided below and shows the partial funding for the multi-use structure.

Job Type	Scope of Work	Qty	Units	Unit Cost	Central Ops. 8%	Total Cost	Funding Sources				
							Denali FY03	IHS FY03	Old Harbor (KANA)	Old Harbor (Village Corp.)	Denali FY05
M-CL	Construct new clinic	1	LS	1,357,685	108,615	1,466,300	705,300	192,000	194,000		375,000
M-IM	Construct new multi-use structure	1	LS	277,778	22,222	300,000				300,000	
Total Award						\$1,766,300	\$705,300	\$192,000	\$194,000	\$300,000	\$375,000

This document constitutes Amendment No. 1 to the CPA to construct a new health clinic in Old Harbor, Alaska, and if funding is available to also construct a separate multi-use structure and enclosed connection to the clinic. All other sections of the original CPA remain in effect as agreed upon and executed.

MEMORANDUM

DATE: January 2006

FROM: Heritage and Environmental Consultant

SUBJECT: Village of Old Harbor – Environmental Review
Amendment No. 1, Project No. AN 04-GB9

TO: FOR THE RECORD

Based upon proposed Federal funding for this project, an environmental review in accordance with the National Environmental Policy Act (NEPA) and the National Historic Preservation Act (NHPA) is required. The Alaska Native Tribal Health Consortium (ANTHC) has considered all potential environmental concerns (specific and cumulative effects) associated with the project in consultation with applicable federal, state, and local authorities. An environmental review was completed in August 2004 with respect to the proposed sanitation facilities construction at Old Harbor, Alaska under Project No. AN 04-GB9. This Amendment will not change the scope outlined in the original document, and therefore no additional environmental review is necessary at this time.

If the scope of work is changed in the future, then the ANTHC will revisit this environmental review to determine if potential environmental concerns have been addressed.
